JACK RABBITS ARE VICTORS

Pioche Base Ball Team Goes Down To Defeat in a Decidedly Interesting Game Played Here Labor Day—Score Stood Seven to Eleven—Visitors Entered Diamond Confident of Winning a Victory Over Their Opponents.

Oh! You Jack Rabbit! By a score of 11 against 7, the Jack Rabbit ball players won back their laurels on Labor Day. With the Fourth of July defeat yet fresh in mind,—the Rabbits went in to do Pioche and they did it; in one of the most interesting games witnessed in this camp in many a day. The Jack Rabbit boys appeared in brand new uniforms and everyone of them went into the game confident of victory. The betting odds prevented the Rabbit enthusiasts in finding very much Pioche money; yet they covered everything offered. C. B. Steinman, referee. The score was as follows:

GOVERNING BOARD OF NEW COMMERCIAL CLUB.

The governing board of the Pioche Commercial Club elected at the public meeting held on the evening of the 3rd inst., met last Sunday for organization.

Attention was called to the fact that the election resulted in the liquor interests of the city having no representation on the board. All recognized that this was not as it should be and everyone present keenly regretted that this important branch of Pioche commercial life had not been recognized. Nevertheless, several members of the board volunteered their resignations to make room for the liquor men, but it was finally decided to leave the matter open until the next regular meeting of the club, when something will be done to give them representation either through the resignation of some member of the present board, or the changing of the by-laws to increase the number constituting the governing board.

It was the purpose of those who took the initiative in the formation of the club to have all lines of business and all professions, if possible, represented in the governing body of the club; realizing that the success of the club depends upon the united effort of everyone who has the future welfare of Pioche at heart. With each business and each profession represented on the governing board, it was believed, complete harmony would prevail and the aims and purposes of the organization thereby better accomplished.

The vote cast for the liquor men was so scattered that none got in. This was unfortunate; yet there is a way to remedy the error, which will be done.

The constitution and by-laws of the club provide for an executive committee of five members chosen from the membership of the governing board.

This committee was selected at the Sunday afternoon meeting of the governors and consists of the following: James P. Gaskill, E. E. Fuller, M. L. Lee, Frank E. Caffey and Frank P. Thompson.

Upon the executive committee devolved the duty of choosing a secretary of the club and this appointment fell to Jesse Simmons.

Mr. Simmons has been an untiring worker in the interests of the club. He was a member of the soliciting committee named at one of the public meetings when the organization of club was first discussed.
